

## Willow Fields Primary School RESULTS 2017-2018 (UNVALIDATED RESULTS)

SATS (Standard Assessment Tests) are completed at the end of Year 2 and Year 6. They are used to show your child's progress compared with other children born within the same academic year. The mean (average) score for each age group on an assessment is 100. Children who achieve 100 are working at the National Expected Standard. Children who receive a score below 100 are working towards the standard and children who receive a score of 110+ are working at greater depth.
