

Year 1 Learning Project Week 1 – My Family

Weekly Maths Tasks (complete one a day)	Weekly Reading Tasks (complete one a day)
<ul style="list-style-type: none"> • Working on Numbots - your child will have an individual login to access this. • Play on Hit the Button - number bonds, halves, doubles and times tables. • Use times tables rockstars. • Work on a shopping list for the weekly shop and get children to add up how many items and add up the cost of some items. How much change would they receive from £10 or £20? This game could support work on making amounts of money. • Practise telling the time. This could be done through this game (scroll down to access the game). Read to the hour, half hour, quarter past and quarter to. • Write the numbers 0-100 in words and digits. 	<ul style="list-style-type: none"> • Children to read to parents daily. Visit Oxford Owl for free eBooks that link to your child's book band. You can create a free account. Complete the linked play activities for each book. • Listen to a story read, Storytime. • Watch Newsround and find out what is happening in the world. What did you find out? Is there anything you need help understanding? • Create a bookmark, perhaps you could choose characters from your favourite stories. • Complete a book review on one of the books you have read - what did you like about it? Would you recommend it to anyone?
Weekly Phonics Tasks (complete one a day)	Weekly Writing Tasks (complete one a day)
<ul style="list-style-type: none"> • Daily phonics - your child to practice their sounds and blend words. Interactive games found on link below. • Phonics play • Top Marks • Spelling • Spell the days of the week: Keep a diary of things you do in the week. • Spell common exception words – the list available here. • Spelling City 	<ul style="list-style-type: none"> • Family: Look at a family in a traditional story - how are they different to your family? Can you write sentences comparing the two families? • Take a look at a variety of these poems with your child. Ask them to pick their favourite poem and write a poem • Write a letter or postcard, these could be sent to family or friends you currently cannot visit - find out about different postcards and why people write them. Can they design the front of the postcard? • Ask your child to create a story about their family. Who will be the main characters? Where will the setting take place?

Learning Project to be completed throughout the week

The project this week aims to provide opportunities for your child to gain a better understanding of their own family. Learning may focus on what different makeup of families, what traditions your family has, stories linked to your family etc.

- Family:
 - This is time to find out about their family and traditions they follow.
 - Ask them to think about: Who they live with? How many adults? How many children?
 - Can they sort their family members into height order? Who is the tallest? Who is the shortest? Is the tallest family member the eldest family member?
 - If they drew around all their family members' hands; could they count in 5s? What if they drew around their feet? Could they count in 2s?
 - Think about one family member they would love to interview. They could be a family member that lives with them or a family member that lives somewhere else. Can they write down some questions they would like to ask them? Have they got a pet?
 - Can they draw or paint a picture of their family? Can they talk about their picture to a family member?
- Self portrait
 - Ask your child to think about which materials they use to draw? Can they find different materials around the house to help? [Ideas here.](#)
- Create a card
 - Ask your child to design a card for someone in their family. It can be a birthday card, thank you card or a card to tell someone how much they love them!
- Design a personal coat of arms shield for the family
 - Find out what a coat of arm shield means.
 - Ask them to begin to think about their design. What could they draw? What does it mean to them?
 - Ask them to think about the colours and shapes.
 - Maybe if they have some cardboard around the house they could make a shield to give to a family member.
- Create a booklet all about the family
 - Can they name the people in their family and write sentences about them? Who are they? What do they call them? What do they like or dislike? Why are they special to them?
 - Maybe they could get a photograph or draw a family member before they write about them.
- News Reporter for half a day
 - Their challenge is to interview family members and find things they like and dislike? Can they write down things they like and dislike? Can they compare these to someone else in their family?
 - In your interview they could create flashcards with words such as: colour, clothes, food, drinks, books, places, music and then ask a family member to pick a flash card and talk about their likes and dislikes.
- Data detective
 - Ask your child to look at people in the house. What colour is their hair? Eye colour? Favourite colour? Favourite food?

- Ask them to collect this and place in a tally chart.
<https://www.twinkl.com.qa/resource/t2-m-250-favourite-colour-tally-and-bar-chart-worksheets>
- Interview a family member
 - Interview a family member that doesn't live at home with them using the telephone or video call.
 - Allow your child to ask them about their childhood. Who did they live with? Who is in their family? Have they got any family traditions they follow and why.
